Dear Sir:

Pursuant to 37 CFR 1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached PTO/SB/08. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This Information Disclosure Statement is filed within three months of the U.S. filing date (37 CFR 1.97(b)(1)).

A partial translation of the non-English language references BF and BK is enclosed. The English abstracts are provided for the non-English language references BB, BC, BD, BE, BG, BJ, BL, and BN. The relevance of reference BB can also be found in the paragraph bridging pages 1 and 2 of the present specification. The relevance of references BC and BD can also be found in the first full paragraph on page 2 of the present specification and in reference AB, a US counterpart of

references BC and BD. The relevance of references BH and BI can also be found in the first paragraph on page 3 of the present specification. The relevance of reference BG can also be found in reference BH, a European counterpart thereof. The relevance of reference BL can also be found in reference BM, a PCT counterpart thereof. The relevance of reference BJ can also be found in reference AD, a US counterpart thereof.

A copy of each foreign reference on the PTO/SB/08 is attached. A copy of the U.S. references are not required.

In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists. In accordance with 37 CFR 1.97(h), the filing of this Information Disclosure statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such. For instance, references BJ and BK were published after the priority date for the present application and therefore do not antedate the present application.

It is submitted that the Information Disclosure Statement is in compliance with 37 CFR 1.98 and the Examiner is respectfully requested to consider the listed references.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 22-0185, under Order No. 21581-00317-US.
